FROM ESPHIGMENOÛ TO ZOGRAPHOÛ

Distance: 7.6 km Journey Time: 2½ – 3 hours

WARNING: *Much of this route is very isolated and without sources of water. It should not be attempted when the stream is in spate.*

This attractive route initially climbs from *Esphigmenou* to join and follow the ridge path (the historic *Way of the Bey*) towards *Karyes*. It then leaves the ridge to descend a long valley down to *Zographou*. The walk is well-shaded in places, and involves some walking along a stream bed with rocks and boulders.

Note: All distances given (in metres) should be taken as approximate. The numbers shown in the form **1** are Waypoints to be found in associated GPS tracking. The route described is liable to unpredictable change: for example, forestry work, road or track construction and plant growth may alter the route, or its appearance. Signposts may disappear or new ones appear. The Friends of Mount Athos strives to keep this description correct and up to date but cannot take responsibility for its accuracy.

- 120 **22** At top of hill the FP leaves woodland and runs along side of ravine, mostly downhill before descending into woodland and reaching the stream bed again.

- 500 **21** At stream bed turn L for a few metres and then R up bank. KSO on footpath (orange tape markers).
- 90 **20** Cross stream bed again diagonally towards the R and take FP to L as it leaves stream bed. KSO on FP through woodland with stream bed away to right.

KSO on FP, with a shrine to the R of path. FP crosses river on stone bridge, then climbs steeply on very good *K* with walls on each side.
- 200 **15** FP (*K*) joins from R coming from *arsanas*. KSO.
- 280 **16** Arrive at gate of **Zographou Monastery**.
