

## FOOTPATHS OF THE HOLY MOUNTAIN

### FROM PHILOTHEOU TO IVIRON VIA COAST ROAD

Distance: 5.5 km

Journey Time: 2 hours

© The Friends of Mount Athos, 2007 – 2018. All rights reserved. – Version 0.5

This is an alternative to the route via *Skiti Iviron*. Initially it descends on an attractive *Kaldirimi* path through trees as far as the coast road. The second half, however, follows the main coast road northwards via *Arsanas Iviron* and is less interesting but has good views.

**Note:** All distances given (in metres) should be taken as approximate. The numbers shown in the form **1** are Waypoints to be found in associated **GPS tracking**. The route described is liable to unpredictable change: for example, forestry work, road or track construction and plant growth may alter the route, or its appearance. Signposts may disappear or new ones appear. The Friends of Mount Athos strives to keep this description correct and up to date but cannot take responsibility for its accuracy.

**Abbreviations:** L = Left; R = Right; KSO = Keep straight on;  
FP = Footpath; K = *Kalderimi* (stone-paved FP or track)

**Transliterations:** ΦΙΛΟΘΕΟΥ = *Philotheou*; ΚΑΡΑΚΑΛΟΥ = *Karakalou*;  
ΙΒΗΡΟΝ - *Iviron*; ΑΡΣΑΝΑΣ = *Arsanas*
